

# A Tribute to the Teaching Profession

As we focus on the schools and the teaching methods of the past, we also experience a deeper appreciation for the dedication of both past and present individual teachers and administrators in nurturing the ideals of each new generation.

Recognition of the teaching profession is an inherent part of the Heritage School on-going APPLE AWARD Program. This recognition provides a significant way for individuals, former students, families, businesses, and local organizations to honor teachers, administrators, and educational support staff.

The APPLE AWARD Tribute is a program to raise funds for the Heritage School Endowment Trust Fund, in voluntary support of the programs, purpose, and preservation of Heritage School. New tribute additions will be added to the names of past honorees on the Heritage School website, [www2.sheboygan.k12.wi.us/heritageschool](http://www2.sheboygan.k12.wi.us/heritageschool).
